Deloitte's 2006 Technology Fast 500**

Attributes 3095 Percent Revenue Growth to Passionate Employees

"If an employee can explain how climbing Mt. Everest would benefit them and the company, we'd absolutely go for it."

"To be successful in today's increasingly competitive landscape, companies have to be better, smarter, and more innovative than in the past, and the Technology Fast 500 companies are doing exactly that," said Tony Kern, deputy managing principal of Deloitte's Technology, Media, and Telecommunications industry practice. "We applaud LogicTree for being among the fastest growing companies in North America."
